## **HOW TO CARE FOR YOUR COMPETITION LEOTARD**

As of 6 June 2013

### **CARE OF YOUR LYCRA GARMENT DECORATED WITH SWAROVSKI CRYSTALS AND/OR GLITTER**

#### **INSTRUCTIONS**

All glitter or foil fabric is subject to fading, crackling, flaking and/or peeling depending on chlorine, salt and perspiration sensitivity.

**Cold hand wash with mild or NO soap/detergent.**

- LINE DRY IN SHADE;
- **DO NOT** BLEACH OR SOAK;
- **DO NOT** IRON;
- **DO NOT** TUMBLE DRY;
- **DO NOT** DRY CLEAN;
- **DO NOT** SPOT WASH AS IT WILL LEAVE A NOTICEABLE WATER MARK; AND
- **DO NOT** RUB THE GARMENT WHEN RINSING.

After each wear, hang the garment to air if it is not possible to rinse it. Perspiration will eventually disintegrate the lycra if the garment is not rinsed.

The garment is **best hanging on a children's coat hanger when not in use, NOT kept in a plastic bag** - A hanging wardrobe is advisable.

Chemicals such as perfume, deodorant or tanning lotion will react with the foil on the back of the crystals and change their colour and cause the stones to fall off the garment.

---

Gymnasts should **NOT** eat or drink (other than water) in the garment.

Gymnasts should **WEAR** appropriate coloured underwear / body stocking with the garment.

---

Please take care of your Competition Leotards.
